DO YOU QUALIFY? It's easier than you may think! If you play guitar, mandolin, banjo, fiddle, bass, or dobro... you can be part of a bluegrass jam.

Only requirements: You must be able to tune your instrument (electronic tuning devices welcome) and change smoothly between G, C, D, and A. (Fiddles and basses need to know which notes work with which chords) Fast playing is not expected, nor is the ability to solo required.

Pete Wernick ("Dr. Banjo", originator of Banjo Camps and Bluegrass Jam Camps)

has created a method that has taught thousands nationwide how to fit into bluegrass music jams at their own level. Wernick Method teachers are personally certified by Pete based on their knowledge of bluegrass, teaching in general, and teaching bluegrass according to his methods.
