Larry Kernagis was raised during the folk revival era of the 60's, cutting his teeth on Flatt and Scruggs and the Kingston Trio. He became a banjo instructor at the famed Old Town School of Folk Music in Chicago, has led Bluegrass jams at festivals across the country for 30 years, and plays banjo & guitar with "greengrass" Celtic group Def Leprechaun.

LARRY'S STUDENTS SAY:

*"An excellent instructor,
patient and kind."*

*"Brought the music to life and gave
me the tools to do the same."*

"A great experience!"

- All bluegrass instruments
- No jamming experience necessary
- You will be jamming the first session!

DO YOU QUALIFY? It's easier than you may think! If you play guitar, mandolin, banjo, fiddle, bass, or dobro... you can be part of a bluegrass jam.

Only requirements: You must be able to tune your instrument (electronic tuning devices welcome) and change smoothly between G, C, D, and A. (Fiddles and basses need to know which notes work with which chords) Fast playing is not expected, nor is the ability to solo required.
